## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Scott Young on 4/18/04.

The application has been amended as follows:

In claim 1, line 6, please delete "and"

In claim 1, line 9, please delete "." and insert therein --; and at least one oil scavenger selected from the group consisting of phosphated ethoxylate blend, stearic acid diethanolamide, sulphated and sulphited natural oils, sulphated and sulphited synthetic oils, polyethylene emulsions, polyethylene glycol esters, ethoxylated lanolin derivatives, fatty acid alyolamides, and mixtures thereof.--

Please delete claims 12-13.

In claim 14, line 1, please delete "12" and insert therein --1--.

In claim 15, line 1, please delete "12" and insert therein --1--.

In claim 16, line 1, please delete "12" and insert therein --1--.

Art Unit: 1751

In claim 17, line 1, please delete "12" and insert therein --1--.

In claim 18, line 1, please delete "12" and insert therein --1--.

2. The following is an examiner's statement of reasons for allowance: The applicant's claims now require very specific oil scavengers, specific esters of lactic acid, surfactants and solvents. The prior art of record fails to teach this specific combination of compounds. In particular the applicant's inclusion of the specific oil scavengers was not found. Nor does the record provide motivation for the modification of the prior art to include these specific compounds. As such the instant claims 1-11, 14-23 and 26 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory E. Webb whose telephone number is 571-272-1325. The examiner can normally be reached on 9:00-17:30 (m-f).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra Gupta can be reached on 571-272-1316. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
